4050421	Bal 430 HS yellow met RR	2,2 KG

Robuste bal om lijnen te markeren of drijvend te houden (25 liter drijfvermogen), ze kan natuurlijk ook als losse markering gebruikt worden.

Doordat de "bal" niet kan draaien, blijft de bovenkant schoon! De ballen kunnen gestapeld worden en komen met 24 stuks op een pallet. Ook leverbaar zonder 200 mm radarreflector.
